

Katamaran - Conference

A sailboat unlike any other

Step out of the conference room and aboard an exclusive catamaran for a unique sail through the stunning archipelago - fresh sea air, open views, and a perfect blend of relaxation and adventure.

The catamaran will pick you up right where your conference is taking place. From there, you'll sail through some of the most beautiful waters of the archipelago, with plenty of space to socialize on the catamaran's spacious deck. The stable boat ensures a comfortable experience for everyone—regardless of previous sailing experience.

If you like, you can help hoist the sails and steer the boat, or simply sit back and enjoy the sun, the sea, and the spectacular views.

Snacks and drinks are served on board on a consumption basis, adding to the feeling of a

truly enjoyable time at sea. Perhaps a refreshing swim from the boat—or a glass of bubbly as you glide between the islands.

A sailing trip with the catamaran is the perfect activity to enjoy with colleagues. It offers time to connect in a relaxed setting, create new memories together, and experience the Stockholm archipelago from its most beautiful perspective.

Welcome aboard an experience that combines freedom, nature, and togetherness - in the heart of the Stockholm archipelago.
