

Combat Boat Ingmarso

Archipelago Idyll

Welcome to Ingmarso Tavern, a culinary gem in the heart of the Stockholm archipelago, where the sea breeze meets warmth and heartfelt cooking.

Here you'll be greeted with locally sourced food, genuine and personal service, and a relaxing atmosphere that inspires conversation, ideas, and creativity. Our menu is inspired by the rhythm of the archipelago — fresh fish, local ingredients, and the best seasonal flavors, all prepared with love and care.

For a truly memorable experience, we'll take you on a wonderful boat ride with our combat boat from Stockholm's harbor, through the winding waterways of the archipelago, before arriving at this idyllic island tavern.

Here, among the islets and rocky shores, you can breathe in the scent of the sea and feel the tranquility of nature — a place that offers a break from the city's stress and the noise of everyday life. Once everyone is satisfied and content, we'll take you back to the city again.

You can choose between three unique packages — all of which include either lunch or a three-course dinner, depending on timing and arrangement.

Beverages are not included in the listed price.

Tip! For only 2.000 SEK per boat, you can add an extra hour for an even more relaxed meal.
