

Combat Boat Sandhamn

The Archipelago dream becomes reality

Welcome to Sandhamn - one of the most unique and historic islands in the Stockholm archipelago. Here, great experiences, breathtaking views, and a genuine archipelago atmosphere await you.

In the heart of this paradise lies Seglarrestaurangen - a must-visit for anyone coming to Sandhamn. It's said that you haven't truly experienced Sandhamn until you've dined here.

With carefully selected ingredients, skilled craftsmanship, and a passion for flavor, we create culinary experiences that capture the essence of the archipelago. We know that great food is a vital part of the overall experience - which is why we always cook with love, care, and respect for both tradition and place.

For a truly memorable experience, we will take you on a scenic tour with our combat boat from

Stockholm Harbour, through the winding waters of the archipelago, before reaching the remote pearl, Sandhamn.

Here, among islets and skerries, you can breathe in the scent of the sea and feel the calm of nature - a place that offers a break from the stress of city life and the noise of everyday routines.

You can choose between three unique packages - all of which include either lunch or a three-course dinner, depending on the timing and arrangement.

Beverages are not included in the listed price.

Tip! Add an extra hour on the island for just 2.000 SEK per boat.
