

Escape Box

Collaborate under time pressure

Escape Box is like an Escape Room but in a box - an adrenaline-filled team game. Time is short and the tasks are challenging. Collaboration is the key to success.

Does your team work well together under pressure? Are you structured and solution-oriented? Do you communicate well with each other? You'll be thrown into an exciting spy hunt as secret agents for Perfect Intelligence.

The tasks you need to solve vary and suit most areas of knowledge, where you, in groups of 3-6 people, complement each other with your different skills and problem-solving abilities.

Everything begins with a really cool video where all the information is delivered by Agent Cooper

from Perfect Intelligence, and when the countdown timer on the wall starts along with the exciting background music, the battle begins - against the other teams and against the clock.

The box is filled with thrilling riddles, puzzles, maps, books, formulas, surprises, and secrets. The team that completes the mission first wins and is rewarded with gold medals.
