

Mentor Fjaderholmarna

The first island of the archipelago

On Stockholm's closest archipelago island, Fjaderholmarna, you'll find the restaurant Fjaderholmarnas Krog.

With the sea as its closest neighbour and boats slowly gliding past, Fjaderholmarnas Krog is a restaurant where the Swedish summer meets top-class gastronomy.

The menu features carefully selected seasonal ingredients, often with a focus on fish and seafood, prepared with modern finesse and respect for classic cuisine. Each plate is a tribute to the sea and to Nordic flavours.

For a truly memorable experience, we'll first take you on a sightseeing tour with the charming boat Mentor from Stockholm harbour. We'll begin by heading towards Vaxholm before turning back to Fjaderholmarna, docking at the restaurant's jetty. Once there, you will be served a three-course dinner. When everyone is satisfied and content, we'll take you back to the city.

Beverages are not included in the stated price and will be charged separately

Tip! For 2.000 SEK per boat, you can add an extra hour for an even more relaxed dining experience.
