RIB & Sauna

A combination of a high-speed RIB tour, sauna, swimming,

Experience the Stockholm archipelago in a way that truly stands out—where the adventure begins even before you reach your destination, where a sauna and swimming await.

Imagine sitting in a jockey seat on a RIB boat, the wind in your hair and salty spray on your face. The engine roars to life, and suddenly the boat surges across the water. It's a rush you feel through your entire body—a thrill that sparks your sense of adventure and gets your pulse racing. At speeds of up to 60 knots, you speed between islets and skerries, weaving through narrow straits and bouncing over the waves with a constant sense of freedom.

Drift away into the tranquility of the Stockholm archipelago—where sea meets sky and time slows down. On a floating sauna, you'll enjoy a unique experience that combines relaxation, nature, and adventure in one.

Step aboard your own floating oasis and let the warmth of the sauna embrace you as you gaze out over the sparkling water.

After your sauna and swim, we'll take you back to the city.
