

The Duel

Challenge your colleagues

Step into a world filled with excitement, energy, and a competitive spirit, where laughter, cheers, and thrilling head-to-head battles keep the action going.

Here, you'll face off in a series of fun, intense, and unexpected challenges that put everything from precision and speed to focus and teamwork to the test.

Throughout the activity, you'll compete in teams against different opponents, with every duel offering a chance to score valuable points in the pursuit of the coveted victory.

Some challenges require nerves of steel and tactical thinking, while others are all about communication, balance, or pure competitive spirit. The Duel is the perfect combination of action, laughter, and team spirit – an opportunity for colleagues to challenge each other, bring the energy, and create unforgettable memories together

Challenges

Lightning Fast – Speed is everything. The first person to catch the stick wins.

InBalance – Stack wooden blocks on a wobbly table. The team that causes the board to fall to the ground loses.

Labyrinth – The team must carefully control the large game board, guiding the ball through the tricky maze without letting it fall into the holes.

4 Rows – A classic strategy game in jumbo format. Which team will be the first to get four in a row?

Tic Tac Throw – A twist on the classic game of noughts and crosses. Throw your markers with precision and try to get three in a row before your opponent.

Magnetic – Place your game pieces with precision, but watch out – if the magnets snap together, they can completely change the course of the game.

2 The Top – Coordination, courage, and teamwork are essential to get the ball to the top.

Top 100 – Which team can build the tallest tower using 100 plastic cups?
