## MUSIC QUIZ

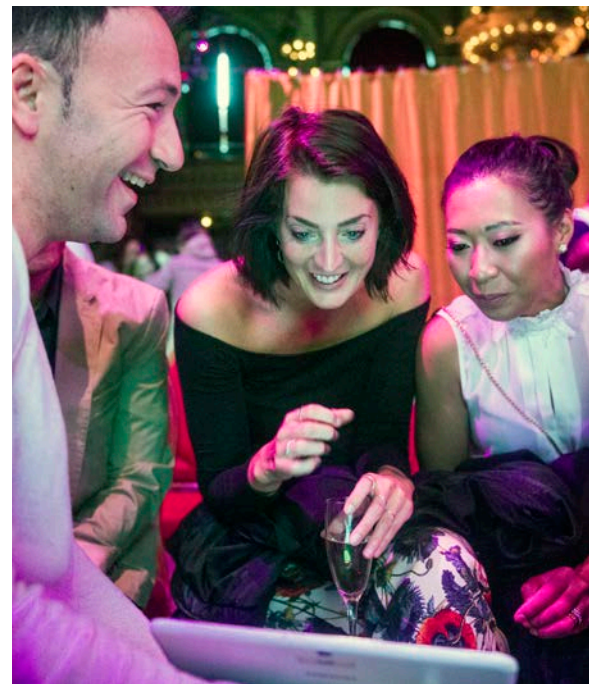

Music Game lets your co-workers enjoy music and solve trivia questions, either as an energizer during a meeting or while having dinner or drinks.

The game is designed to entertain, bring out laughter and initiate fun discussions. It's the perfect ice breaker! Played on tablets in teams of 3-5 people, the game is run in two rounds.

As the music is played out loud, the teams time travel from the 1970's all the way up to the 2010's, including David Bowie, Whitney Houston, Destiny's Child and Avicii. All the major music genres are covered, ensuring everyone in a diverse team can contribute.

The trivia really puts your memory to the test and the key to winning is good group work.

The game is run in two rounds of 15 minutes. Run them back to back during drinks and dinner or throughout a meeting.
